Dear Mr. Wolff:

Thank you for your May 10, 2007 letter to the Secretary of Defense and Secretary of the Army concerning consideration of a military court-martial for your client, the former Private First Class Steven Green. Due to mail screening procedures, we have only recently received your letter. Your patience in awaiting this response is appreciated.

The proposed option, which would allow your client to voluntarily reenlist in the Army so that his criminal case could be pursued under the Uniform Code of Military Justice, has been carefully considered. However, the 101st Airborne Division (Air Assault) does not wish to pursue this course of action.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark L. Ritter", is positioned above the printed name.
